KENDALLS SPAVIN CURE

The m at Succe sful Remedy ever discovered as it is certain in its effects and does not blister. READ PROOF BELOW. Saved him 1860 Dollars.

DB. B. J. ERNDALL, & Co., Gents:—Having used a good deal of your Kendall's spavin Cure with great success, I thought I would let you know what it has done for me. Two years ago I had as speedy a colt as was ever raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got fast and tore one of his hind legal to pieces. I employed the best farries, but they all said he was spoiled. He had a very large thooursh pin and lused two bottles of your Kendall's Spavin Cure, and it took the bunch entirely off, ane he sold afterwards for \$1800 [dof-lars]. I have used lit for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Whiterington & Kneeland's drug store, in Adams, the other day and saw a very fine picture you sent them. I tried to buy it, not could not; they said if I would write to you that you would send me one. I wish you would, and I will do all the good I can.

Very respectfully, E. S. LYMAN. Kendall's Snavin Cure. Hutchinson's Ranch, 12 miles north of Denver, 1 Colorado, March 5th, 1883. Dn. B. J. KENDALL & Co., Gents:—For the past three years I have used Kendall's Spavin Cure. In

ed and it extrely cured her. One year ago a two hundred pound block of ice fell out of a wargon striking my fect en instep and toes, it would be impossible to mach a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the lew would cause any more pain. I went for Kendall's Spavin Core, it was all I used and in six days I could walk around. About three weeks ago my team ran away threw me out of the wagon, the hind wheel struck my knee. After applying several highly recommenced liniments without obtaining any relief, i went for Eendall's Spavin Core. My beg was drawn up and my knee awoolen badly. In three days I was able to walk to the barn. I could go into details more fully, and make this a very long letter but will not weary you. I san very respectfully yours.
